

PRODUCT: Auditcon System 2100
BULLETIN: #023
DATE: 4/15/08

The Auditcon System 2100 entered its end-of-life phase in August 2006 when it was removed from the Kaba Mas List Price Book. With limited component inventory, effective June 30, 2008, sales of the Auditcon 2100 lock will cease completely.

Kaba Mas will continue to offer software support until June 30, 2009 for installations on Windows XP systems. The software will not be supported under Windows Vista.

For alternative product offerings, please refer to the Kaba Mas web site at: www.kaba-mas.com
